

The Expandable Hanen LSF-12 Automatic Solar-Powered Livestock Feeder provides programmable timed nutrition amounts of various free-flowing feed types to your livestock, up to 12 feedings per day. Hanen's patented* Hydraulically-Powered Feed Dispensing System uses fewer moving parts for less maintenance. Automatic feeding is convenient & saves time. Livestock summoned by audio feeding signal arrive at the feeder in an orderly fashion. **Never miss a feeding!**

SPECS

MODEL
Hanen LSF-12

DIMENSIONS
9' w x 8' h x 4' d

EMPTY WEIGHT
1,500 lbs

DISPENSING SYSTEM
100 watt solar-powered charging system
12-volt battery (not supplied)
Hydraulically-Powered

BENEFITS

- Save energy and reduce costs
- Balanced diet throughout the day creates a calmer more docile animal
- Grain rationing provides less feed for better nutritional value, but not loss of growth
- Maintain animal health
- Increase overall operation efficiency and flexibility
- Low environmental impact
- Lower waste of feed
