

Hanen Hay Feeder Shed

An innovative way to feed and store hay for your cattle and livestock.

[GET A QUOTE](#)

Save Time and Increase Storage with the NEW Hanen Hay Feeder Shed

Fill - Set - Feed!

Fill the hay feeder with 4-round bales.

Set the gate.

Feed your livestock as they slide the front gate inward and eat their way through the hay.

Your livestock
push **the gate**
along **the track**.

Why Choose the Hanen Hay Feeder Shed?

Storage

- **Storage:** Store and feed out 4-round bales at a time.
- **Shelter:** Provide shade and shelter for your livestock.

Save Time

- **Efficiency:** Feed 4 bales at once, compared to 1 bale at a time.
- **Handling:** Cut down on handling time with a larger feeder capacity.

Feed Efficiency

- **Reduced Hay Waste:** Designed to allow cows to push and eat their way in without scattering hay.
- **Protects Feed from Weather:** Equipped with a durable, weather-resistant metal roof and protective enclosure to keep hay dry.

Durable

- **7-Gauge Powder-Coated Steel Construction:** Rust-resistant and designed for longevity.
- **Weather-Resistant Metal Roof:** Made with tin roofing material to shield your feed and livestock from the elements.

Round Bale Feeder	VS	Hanen Hay Feeder Shed	VS	Hanen Hay Feeder Shed	VS	Shed
						
 1 Hay Bale		 4 Hay Bales		 Lower Cost		 Significant Cost
 NOT Covered		 Covered from Elements and Provides Shelter		 Long Lasting Steel		 Wood
 NOT Expandable		 Expandable		 Fast to Build		 Large Construction
 Zero Storage		 Built in Storage		 Movable		 Stationary

One Year **WARRANTY**

Included: One year manufacture defect warranty on Hanen Hay Feeder Shed.

Key Features

Increased Feeder Capacity

Holds up to 4 round bales, decreasing handling time.

Built-In Storage

Offers 133 sq ft of covered space, making it a cost-effective alternative to building a barn.

Livestock Friendly Design

Easy for livestock to reach and feed comfortably.

Protection

Increased feed quality because it is under a roof.

Additionally provides shelter and shade for livestock.

Durable

Powder-coated steel construction and weather-resistant roof.

Expandable

Connect additional Hanen Hay Feeders for more storage and additional shelter.

The Hanen Hay Feeder is NOT AUTOMATIC, electric, solar, or electrically powered.

Your cattle or livestock push the gate along the track as they eat their way through the hay.
