Fill - Set - Start Feeding!

The Expandable Hanen Automatic Solar-Powered Livestock Feeder provides **programmable timed nutrition** of various free-flowing feed types to your livestock, up to 12 feedings per day.

Hanen's patented Hydraulically-Powered Feed Dispensing System uses **fewer moving parts for less maintenance**.

Automatic feeding is convenient and saves time. Livestock summoned by audio feeding signals arrive at the feeder in an orderly fashion.

Never miss a feeding!
